

BACKPACK-3000

Shrink the bastard!

FOUND AN EPIC ITEM AND DIDN'T HAVE ENOUGH ROOM IN YOUR INVENTORY?
HA! THIS WON'T EVER HAPPEN AGAIN!

Imagine: you just kicked the crap out of another bad villain, saved the world and mankind from total destruction and then it happens. You want to pick up that pimp-style-mega-disruptor-vaporizer-shrink-weapon-thing and a too-well-known voice tells you, that you don't have enough room in your inventory. And all you can think is: "What the...?" followed by some rude words that won't be mentioned in this paragraph (maybe later)

We all know this situation very well. But now there is a solution. You don't have to care about "room in your inventory" and "please kick out some items to free some space" messages anymore.

Now it's time for the incredible, unbelievable, good-looking & famous...
